

Students,

Please see the links below for information about a paid Geography Internship.

<http://www.nga.mil/portal/site/nga01/index.jsp?epi-content=GENERIC&itemID=8e186150617abf00VgnVCMServer3c02010aRCRD&beanID=1629630080&viewID=Article>

I was sent this information about a paid internship, for 2nd semester freshmen or sophomores, with the National Geospatial-Intelligence agency. I am sending you this link because they are looking for Geography/Political Geography students.

Let me know if you have any questions or if students are in need of additional information.

Thanks,

Andrea Aleman

Internship Coordinator

Political Science & Geography
