The Classical World: Anthropology, Art and Culture

Summer Study Program

About the program
• a unique opportunity to learn an innovative approach to the ancient world
• designed and taught by UTSA faculty and professors from Center “AMA”
• lasts four weeks, from June 8th to July 8th (first summer session, “S”)
• live and study in the center of Siena

About the program
• a “workshop” focused on the anthropological study of Roman and Greek culture
• myth, kinship and family, religion and ritual, economy, images, identity, daily life, the natural world and animals
• readings of literature along with visits to sites of historical and archaeological importance
Program schedule

• arrive in Rome, Italy on the morning of Friday, June 8th, 2012
• program orientation and welcome dinner
• the course begins on Monday, June 11th
• lodging in “Santa Chiara”
