Your written comments are an important part of your course and instructor evaluation. Please provide feedback in the box below on aspects of the course and/or the instructor that were most effective or need improvement. Student comments will be provided to your instructor only after course grades have been submitted. The instructor may, but is not obligated to, share these comments with others or include them in any evaluation process.

- Final was due a week before classes ended. Way too much reading for this class, especially during the summer. Though the teaching methodology with agenda setting was unique, I am not sure we all understood the readings correctly before setting the agenda each week.

- The instructor offered a great course that was really something that is lacking from most other classes in IR studies. The instructor knew the material extremely well. He clearly defined all of the expectations. One possible improvement would be the feedback by the instructor to be provided more timely. The instructor promised throughout the semester to deliver feedback about some of the key assignments but did not address these items until the final week.
