- Evals r dum but dr. h is kewl
- Great professor that truly cares about his students and is willing to help them understand the topic.
- I enjoyed the class a lot....I think taking a globalization class as a study abroad was a smart idea because if gives first hand knowledge of what globalization is. I would definitely recommend teaching this class again as a study abroad and allowing both German and American students to enter act with each other...I have met new friends while on this trip that will hopefully last for years to come!
- The course was very interesting from the start. The bringing together of German student's and the American student's to talk about globalization and the different perspectives was an amazing experience. Being able to study abroad also helped with the topic.
- The instructor went above and beyond my expectations and encouraged complex discussions as well as an active participation in the class.
- This type of experience should be shared with more international universities.
