- **GO BRASIL**

- Great Class! Really enjoyed it.

- Greatly enjoyed every aspect of this course and the professor. Although I felt at times there was too much class readings to keep up with.

- I appreciate that he finds different ways to engage in class and different ways of learning. He never posed his opinions on the topics discussed instead asked us what we thought about it which was something I appreciate.

- I really enjoyed the class activities, because it engages the students with one another and it helps in the learning process.

- Loved this class, it was full of hands on activities.

- Loved this class, much more interesting than anything I’ve ever taken!

- Nothing but the highest of praise for this professor. The course was outstanding and the teaching methods that were in use provided a thoroughly active and engaging learning process that I enjoyed tremendously.

- Prof. was always prepared for each session and engaged us in relevant activities so that it wasn't listening to a lecture for 2 hours. My only issue is that there were a few times that we seemed to focus too much time on things that weren't as important. But we got through the necessary, more important material, too. Prof. Hofferberth is hand down the most prepared professor I've ever had. Also, he always responds to emails right away.

- Really enjoyed the class. Tying in globalization with the World Cup not only made understanding globalization easier, but it also greatly peaked my interest in futbol.
