Comments Report

Your written comments are an important part of your course and instructor evaluation. Please provide feedback in the box below on aspects of the course and/or the instructor that were most effective or need improvement. Student comments will be provided to your instructor only after course grades have been submitted. The instructor may, but is not obligated to, share these comments with others or include them in any evaluation process.

- Thought provoking engagement in class and overall a thoroughly enjoyable experience both with the experience and with the class itself.

- While the majority of the expectations were laid out clearly, there was some ambiguity in the expectations for the pre-departure assignments and essays. I recommend having more clear guidelines for the pre-departure assignments so that students can come into the study abroad experience with adequate grades in the class already.
