

WHY WISH INTERNSHIPS?

- WISH Internships has developed long-term relationships with hundreds of organizations to lobby on your behalf to obtain a premier internship.
- You, the internship site and WISH Internships sign a contract outlining your duties to ensure a substantive experience.
- WISH Internships requires your Internship Coordinator to complete a thorough evaluation which can then be submitted to your school.
- INTERNSHIP/HOUSING PACKAGE: Students using both WISH Internships and WISH Housing (fully-furnished, intern-only housing on Capitol Hill) pay a flat fee of \$6500.
- Residential Life Services: Welcome Receptions, Social Mixers, Career Nights, and Policy Salons.

Interested students must complete an online application at
