DIDACTIC TEACHING

Courses and Lectures at Baylor College of Medicine:

Primary Care Counseling Skills: Introduction and advanced

Family Psychology Seminars: Anxiety and Depression in Primary Care, Attention Deficit Disorder, Children's Behavior Problems, Assessment of Psychiatric Risk, Eating Disorders, Sexual Dysfunction, Family Systems Theory, Abuse and Violence, Changing American Family.

Systemic Family Medicine Seminars

Evolving Principals of Family Medicine Seminars

Clerkship in Family and Community Medicine:

Lectures: Behavior Problems of Children, Model of Change, Behavioral Health Problems
Supervision of medical students at Baylor Family Practice Center

Courses Taught at Texas Woman's University:

1. PSY 5004 Advanced General Psychology
2. PSY 5413 Psychological Appraisal
3. PSY 5543 Theories of Counseling and Psychotherapy
4. PSY 5563 Clinical Instruction
5. PSY 5673 Introduction to Marriage & Family Therapy (Family Psychology I)
6. PSY 5683 Seminar in Marriage and Family Therapy (Family Psychology II)
7. PSY 5693 Diagnosis and Treatment of Sexual Dysfunction
8. PSY 5903 Transgenerational Family Therapy Group
9. PSY 5903 Research in Family Interactions
10. PSY 5913 Individual Study--Learning Theory and Applications of Computers
11. PSY 5923 Supervised Practicum
12. PSY 5983 Thesis
13. PSY 5993 Thesis
14. PSY 6913 Research in Counseling and Family Therapy

- 15. PSY 6923 Supervised Practicum
- 16. PSY 6933 Internship in Psychology
- 17. PSY 6993 Dissertation
- 18. PSY 3513 Abnormal Psychology
- 19. PSY 3303 Applied Statistics
- 20. PSY 4913 Research in Family Interactions

Courses Developed:

1. *Transgenerational Family Therapy Group*. This is an advanced seminar in a specialized area of family therapy training. The course includes readings in the literature and an experiential group to learn how to do this type of therapy.
2. *Research in Family Interaction*. This is an advanced research course that covers the family interaction research literature. Students read relevant articles and learn family interaction coding systems by participating in ongoing research projects.

Courses Taught at the University of Houston:

1. Introductory Psychology
2. Experimental Design laboratory
3. Teaching of Psychology
4. Family Systems and Development-- Graduate Seminar
5. Family Psychology and Therapy-- Graduate Seminar

CURRICULUM DEVELOPMENT

Faculty Development Fellowship for Primary Care Physicians. Part-time fellowship for practicing physicians. Developed with assistance of HRSA Faculty Development Grant. Masters in Counseling and Family Psychology at Texas Woman's University.

NON-DIDACTIC TEACHING

1. Supervise resident training in the Department of Family & Community Medicine, Family Practice Center and Northwest Community Health Center, Baylor College of Medicine.
2. Supervise fellow training in systemic family medicine and family therapy in the Department of Family & Community Medicine, Baylor College of Medicine.
3. Supervised Pediatric residents in the Department of Pediatrics, University of Texas Medical School at Houston, 1986-88.
4. Supervise masters and doctoral candidates in clinical, counseling, and developmental Psychology at Texas Woman's University and University of Houston. I am major advisor to students and direct their research in theses and dissertations.

THESES AND DISSERTATIONS DIRECTED:

1. Linda A. Zeeb: The association between the behavioral profiles of children from separated, divorced, and remarried families. Texas Woman's University, August 1982.
2. Laura S. Strawn: A factor analytic study of the Conners Parent Questionnaire. Texas Woman's University, December 1982.
3. Teresa E. Doyle: A factor analytic study of the Personal Authority in the Family System Questionnaire. Texas Woman's University, May 1984.
4. Gayle Lewis (Occupational Therapy): The perception of the quality of life by patients with end stage renal disease. Texas Woman's University, May 1985.

5. Katherine Rossen: A longitudinal follow-up of stepfamilies. December 1985.
6. Virginia Howard: Impact of mother-son relationship on behavior problems of the son. Texas Woman's University, December 1986.
7. Ruth Yeh: Psychological service needs survey of Chinese and Vietnamese Asian American groups in the Houston area. Texas Woman's University, May 1987.
8. Cathy Neer: Relationship of marital satisfaction and family communication patterns to children's behavior problems. Texas Woman's University, May 1987.
9. Tom Mann: Children's aggression in stepfamilies and non-divorced families. University of Houston, May 1987.
10. Brad Michael: Parenting practices in new stepfamilies. University of Houston, December 1987.
11. Cheryl Beard: An evaluation of a pre-marital preparation program for engaged couples. Texas Woman's University, December 1987.
12. Alan Silverblatt: A methodological study of the Family Assessment Device. University of Houston, May 1988.
13. Susan Gershenhorn: Children's compliance in stepfamilies and nondivorced families. University of Houston, May 1988.
14. Sarah Milford: Marital relationships in new stepfamilies. Texas Woman's University, August 1988.
15. Marilyn Silverman: A comparison of family functioning in clinical and non-clinical stepfather families. Texas Woman's University, May 1989.
16. Jvona Cowart: Stepfather's parenting practices and children's adjustment. December, 1989.
17. Stormy Hull: *The Personal Authority in the Family System Questionnaire: A tool for assessing marital adjustment.* Texas Woman's University, December 1989.
18. Bill Davis: A comparison of family and marital adjustment in newlywed couples and newlywed stepfamilies. Texas Woman's University, December 1990.
19. Hillary Anderson: Transgenerational family therapy: A therapy outcome study. Texas Woman's University.
20. Alan Silverblatt: A sequential analysis of family relationships in stepfamilies and nuclear families. University of Houston, May 1992.
21. Gina Touch: Intergenerational and nuclear family relationship variables on health of children and adults. University of Houston, August 1996.
22. Daphine Lambert: Parental influences on African American adolescent alcohol use: An examination of differences by gender. Nova Southeastern University, August, 2005.
23. Gary Chan: Understanding steep escalations in alcohol use over the teenage years. External reviewer. University of Queensland, Australia, 2013-2014.

Post-Doctoral Fellowship and Post-Degree Supervision:

Warren Holleman, Ph.D., MFT, 1997-1999

Karen Merkel, Ph.D., 1999-2000

Robin Eisen, M.A., MFT, 1999-2001

Paula Djabbarah, M.A., LPC, 2001-2002

Amy McQueen, Ph.D., 2001-2003.

Marconi Monteiro, Ed.D. 2003-2004.

Daphine Lambert, Ph.D., 2001-2006.

Erika Epps, PsyD, 2015-2016.

Supervised Psychology Interns and postdoctoral fellows from the Texas Research Institute of Mental Sciences program and the University of Texas Health Science Center Psychology Programs, 1982-1988.

Member of doctoral dissertation committees at the Department of Educational (Counseling) Psychology, University of Texas at Austin and Department of Psychology, University of Houston.

PROFESSIONAL SERVICE

Patient Care

Practice of Clinical Psychology, Family Counseling Clinic, Baylor College of Medicine, 3701 Kirby, Suite 100, Houston, TX 77098.

Psychology Consultant, Star of Hope Transitional Living Center.

Psychology Consultant, Harris County Family Law Courts.

Psychology Consultant, Family Medicine Center, Department of Family & Community Medicine, Baylor College of Medicine.

Team Leader at Houston Child Guidance Center, 1984-1987.

College Committees at Baylor College of Medicine

Secretary and Member at Large, BCM Faculty Senate, 2015-2017.

Member, Academic Council, 2015-2017.

Faculty Appointments and Promotions Committee, 1993-2002.

Substance Abuse Committee, 1993-1996.

Allied Health Committee, 1989-1996.

Departmental Committees at Baylor College of Medicine

Appointments and Promotions committee, Department of Family & Community Medicine, 1989-present. Co-chair of committee, 2011-present.

Coordinator of Family Psychology/Behavioral Science Residency training for Department of Family Medicine, 1988-present.

Department of Family Medicine Executive committee, 1992-1997.

Research committee, Department of Family Medicine, 1988-1992, Chair, 1992-1999.

Residency Training committee, Department of Family Medicine, 1990-present.

Library committee, Department of Family Medicine, 1989-1997, Chair, 1995-1997.

Computer committee, Department of Family Medicine, 1987-1994.

Administrative Assignments at Texas Woman's University

Convocation committee, 1981-82, 1983-87

Houston Center Computer Usage committee, 1983-88.

Faculty-Staff Development committee for Houston Center, 1984-85, Chair of committee 1985-87.

United Way Fund Raising committee, 1984-86.

Faculty-Staff Development committee for College of Education, 1984-85, 1986-87.

Houston Center Library committee--ad hoc member, 1984-85.

Student Health Care Committee for the Houston Center, 1981-83.

Student Recruitment and Retention Task Force, 1981-83.

Faculty/Staff Development committee for College of Education, 1986-87.

Research Support Committee (ORGA), 1987-88.

Search Committee for the Associate Dean for Research, 1987.

Departmental Committees at Texas Woman's University

Houston Admissions committee, 1981-1988.

Faculty Search and Recruitment committee, 1983-84.

Doctoral Studies in Houston committee, 1982-1986.

Psychology self study and review committee for State of Texas Coordinating Board Evaluation, 1986.

Departmental Administrative at Texas Woman's University

Practicum coordinator for Marriage and Family Therapy students on Houston Campus.
