ABOUT US

**Our Purpose:**
To provide information pertaining to graduate studies, job/career opportunities in the field of Psychology.

**Guest Speakers:**
Speakers with various backgrounds in Psychology are brought in to discuss what they do in the real world with their degree and share their knowledge and experiences.

**Volunteer Opportunities:**
Opportunities are provided to give back to the community that are in some way related to Psychology. This is an effort to encourage student community relationships. (e.g. SASH Saturdays)
