Water Punch

By Destiny Gonzalez

Ingredients:

- 5 quarts of water (chilled)
- 3 cups of sugar
- 1 tbsp. lemon extract
- 1 tbsp. Citric acid (found in the pharmacy or health and nutrition store)
- Fresh lemon, lime, or orange slices (optional)

Directions:

In a punch bowl or large container combine water, sugar, lemon extract, and citric acid. Stir until sugar is all dissolved. Then add citrus slices to float in the punch and make it look pretty.
