**INDIAN TOMB YIELDS DEAD**

Caves Found in San Pedro Park—Two Brothers Shovel in Tons of Earth and Discover Skeletons of Armed Indians and Weapons of Suspected Race.

Looters employed at the city site with metal-detecting devices found an Indian burial mound on the outskirts of the city yesterday, and a large mound was excavated to reveal the bones of several men and women. The cemetery, which has not been disturbed for centuries, is considered a historical site.

**FREE SHOE INSURANCE**

A Policy That Prevents the Waste of Time and Money

Where shall I go to have my shoes insured? At the nearest insurance agent's office. It is simple and easy. No one shall have to spend his time or money in giving his shoes to the victim of the theft. A policy of insurance shall be taken out on them, to be transferred to the insured if the theft occurs. It shall be a policy for a full year, and shall be transferred to the agent who shall give a receipt to the owner.
