

UTSA-CAR

Center for Archaeological Research

Intern / Volunteer Application

The Center for Archaeological Research (CAR) laboratory offers unpaid internships and volunteer opportunities for students and community volunteers. CAR hours are 8 AM-5 PM Monday through Friday. Due to the high demand for intern slots, a waiting list is a common occurrence. UTSA policy requires all candidates will have a criminal background check.

- Potential interns are asked to submit applications at least one semester ahead of the desired term.
- Volunteers are taken when schedules can be accommodated.
- Priority is given to UTSA students, anthropology students and to graduating seniors.

Although, no experience is required, the ability to work at least 3-4 hours at a time, sometimes doing repetitive work and the ability to lift up to 30 pounds, is necessary.

Volunteer Intern

Anticipated graduation date: _____

Please tell us a little about yourself:

How did you hear about us? _____

What is your interest in archaeology? _____

Intern / Volunteer Application (cont.)

Have you had course work in anthropology or archaeology? Which courses and when?

Do you have any experience relevant to archaeology, such as geology, art history background, etc.

Would you like to tell us anything else that might be relevant for consideration as an intern or volunteer?

Please send this application to Cynthia Munoz at the Center for Archaeological Research (CAR) an attachment to an email (Cindy.Munoz@utsa.edu).
